Stainless Steel
Tailgate
Support Straps

Photo not actual size

2004 - 1999 full size GM Pick-Up Trucks are equipped with galvanized, braided steel tailgate cables that may corrode, weaken and eventually break. Auveco's support straps are the ideal replacement. Our straps are stronger and more durable than cable. It mounts the same as the original cable, uses the same hardware and can be installed in 15 minutes. And can be used for both sides of the tailgate.

UNIT PACKAGE: 1

GM Truck Door Hinge Pin & Bushing Repair Kits

Why bother with the hassle of cutting and grinding off a worn door hinge and welding on a new one when you can repair the bad hinge in a fraction of the time?

With our Door Hinge Pin & Bushing Repair Kits, fixing sagging doors caused by worn hinges due to pin failure is quick. It's easy. It works. And you don't have to repaint the welded heat flash area.

Each kit is designed to repair one hinge and contains all the pins, bushings and related hardware to do the job.

Refer to Kit listings below and on following pages.

Photos not actual size.

Here's how it works:

1. Remove the door from the truck body
2. Remove the original equipment pin and bushings
3. Install the bushings into the hinge holes
4. Install the longer pin into the top hinge hole
5. Thread on the lock nut
6. Install the shorter pin into the bottom hinge hole
7. Place the washer and a nut on the shorter pin
8. Tighten the nut to pull the pin into place.
9. Slowly tighten both upper and lower lock nuts
10. Reattach the door to the truck body

Detailed instructions are included with the kit.
